Report of factual findings on the compliance certificate (50 MEUR 3% bonds) as per 30 June 2020

Dear Mr Breda,

For the purpose of this report, we confirm that we have reviewed the interim condensed consolidated financial statements of Immobel SA/NV (the "Company") for the six-month period ended 30 June 2020, prepared in accordance with IAS 34 – Interim Financial Reporting as adopted by the European Union (the "Financial Statements"). We have issued an unqualified review report on the Financial Statements on 10 September 2020. The objective of our work was to review the Financial Statements taken as a whole, and not individual elements, accounts or items constituting them.

In accordance with our engagement letter dated 15 April 2019, we have performed the procedures enumerated below and agreed with the Company. This engagement has been conducted in accordance with the International Standard on Related Services 4400 applicable to engagements to perform agreed-upon procedures regarding financial information.

These procedures were performed solely to assist the Company in connection with the Financial Ratio Test that the Company has to perform pursuant to the paragraph 7.3 ("Publication of Consolidated Equity, Consolidated Equity/Total Assets Ratio and Inventories/Net Financial Debt in respect of each Reference Date") of the Prospecus dated 2 October 2018 and realted to the 50 MEUR 3% bonds due 17 October 2023 (the "Bonds Issue").

The procedures performed and the resulting findings can be summarized as follows:

- 1. We obtained the Compliance Certificate prepared by the Company and signed by one director and the Chief Financial Officer. A copy of the Compliance Certificate is attached as Appendix 1;
- 2. For each financial covenant presented in the Compliance Certificate (i.e. Consolidated Equity, Consolidated Equity/Total Assets and Inventories/Net Financial Debt):
 - 2.1. We verified the arithmetic accuracy of the financial covenant, and found it to be correctly calculated;
 - 2.2. We agreed each amount included in the items included in the financial covenant to information extracted or directly derived from the Financial Statements of the Company at 30 June 2020, and found it to be in agreement.

Because the above procedures do not constitute either an audit or a review made in accordance with International Standards on Auditing, we do not express any assurance on the financial covenants as of 30 June 2020. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Our report is solely for the purpose set forth in the fourth paragraph of this report and for your information and is not to be used for any other purpose or to be distributed to any other parties.
