

IMMORUN IS BACK IN LUXEMBOURG

Immobel announces the return of the event on 29 September on the Kockelscheuer site. Dedicated to the Real Estate community, this race will bring together runners from the sector for an evening devoted to conviviality.

The B2B sporting event of the Real Estate community in Luxembourg

Organised on the site of the Kockelscheuer ice rink on 29 September 2021, this second edition will bring together several hundred runners of all levels. The runners, who work in the real estate and construction sectors, will gather at the starting line in order to enjoy the team spirit they all share and simply to experience a great evening together. That evening, *powered by Immobel*, is being organised by People First in partnership with Immobel as main sponsor as well as Inowai, Arendt & Medernach, Seco, BAM Lux and BGL BNP Paribas.

An after-work event that showcases team spirit

Grouped into teams of three participants, the runners, in a series of staggered starts, will follow loops of 9, 6 and 3 km respectively and then join up in order to cross the finish line, thus allowing runners of all levels to be brought together. *“After more than a year of social distancing, while constantly remaining so careful, we are all greatly looking forward to meeting up with each other again and returning to a more fulfilling social life. The feeling of belonging, the team spirit and the human connection are essential values in the company. This is even clearer today than before the health crisis, which is why I think this edition is taking place at just the right time!”* says Olivier Bastin, *Managing Director Immobel Luxembourg and Germany*. Following their efforts, participants will be invited to get together to attend the awards ceremony, followed by a walking dinner that will be perfect for expanding their networks.

An event of solidarity

Immorun has chosen to renew its support for the Kriibskrank Kanner foundation (<https://fondatioun.lu/>) which helps children with cancer. *Running Nation* and *People first*, as co-organisers of the event, will, at the end of each edition, donate an amount to Kriibskrank Kanner that is proportional to the number of people registered.
